1st Annual NCSSM Charity Golf Tournament

The North Carolina School of Science and Mathematics Alumni Association is proud to present the 1st Annual NCSSM Charity Golf Tournament. This event will take place *RAIN OR SHINE* at the **The Crossings Golf Club** in Durham, NC on **March 24th, 2012**. The deadline for entry is February 28, 2012.

The reason for this event is to support the NCSSM Annual Fund while also creating an environment for social interaction among NCSSM-affiliated individuals. Flexibility in all levels of participation is encouraged.

FORMAT & FEES:

The format for the tournament is a scramble, and for this first year of tournament play, participation is limited to eighteen 4-person teams. All teams are to be composed of 4 players. In the event a team has only 3 players, team members will rotate playing an additional ball on a hole. This rotation must be kept for the duration of the round (e.g. Player 1 plays 2 balls on holes 1, 4, 7, 10, 13, 16; Player 2 on holes 2, 5, 8...etc)

Participants will begin with a shotgun start at **9:00 AM**. After all teams have played 18 holes, results will be calculated and winners will be determined.

The cost is **\$70/individual** or **\$280/team**. In the spirit of the event and to raise additional money for NCSSM, participants will also be allowed to purchase mulligans (\$10 buys two, one for the front 9 and one for the back 9) and throws (\$5/each).

ALL PROCEEDS go to benefit the NCSSM Student Activities Fund.

PRIZES:

Prizes will be awarded for the following:

1. Winning team (the team with the fewest total strokes)
2. Long Drive: Golfer with the longest drive on the designated hole
3. Closest to the pin: Golfer with the tee shot closest to the hole on the designated par 3
4. Best team name

ELIGIBILITY:

The contest is open to all members of the NCSSM community. We expect to have participants from NCSSM alumni, students, faculty and staff, spouses, and "friends" of the school.

Entries can be submitted for whole teams or for individuals. Individuals will be placed on teams in an effort to create a diverse and equitable event for everyone. Included in the cost are the greens fees for the course, a catered lunch, and a small gift for participating. All golfers are expected to provide their own golf clubs; however, the course may provide rented clubs for a nominal fee.

Volunteers will be present throughout the course to assist the participants and tournament officials at various times (witnessing the closest to the pin, longest drive, etc.). We encourage any and all non-players to come out and enjoy the event as a volunteer.

DEFINITIONS:

Mulligan Golfer is allowed a one-time extra attempt to play a shot.

Scramble Team event where each player tees off on each hole. The best of the tee shots is selected and all players play their 2nd shots from that spot. The best of the 2nd shots is determined, then all play their third shots from that spot, and so on until the ball is holed.

Shotgun Teams begin play simultaneously on different holes to start and finish together.

Throw Golfer is allowed to throw the ball once rather than stroke the ball with his or her club.

2012 NCSSM Charity Golf Tournament
